

# PEPs

## What is a PEP?

- Personal Education Plan
- A document that is all about how you are doing at school.
- By law, every child in care must have one.

## What is in a PEP?

- Your achievements
- Your voice, where you have the opportunity to share your feelings about school
- Areas needing extra help
- Short-term and long-term targets
- Information about how well you are doing in your subjects
- Careers advice and advice surrounding college or university
- Any additional needs, such as SEND or emotional well being
- Your out-of-school interests and hobbies

## How often are the meetings?

- 1 meeting per school term

## Who is at the meetings?

- You! (If you are happy to attend)
- Your designated teacher - a teacher in school who has the responsibility of supporting the Children Looked After
- Another teacher who knows you well if you want them to attend
- Your social worker
- Your carer
- PEP Caseworker
- Any other people you might be working with if they need to be

## Do I get a say in my PEP?

- Yes, as the PEP is all about you!
- You have the right to be involved in the meetings and have your voice heard.
- Therefore, if you feel you are not being listened to in your PEP meetings, tell someone you trust, so they can change this for you.
